

LOUISVILLE JOURNAL

Published daily except on Sundays and public holidays.
 Green River, between Third and Fourth.
 MONDAY, MAY 8, 1865.

Gov. Bramlette has changed the day set apart for the proclamation for the 1st of May. In accordance with a proclamation of President Johnson.

The Constitutional Amendment—Consistent with the amendment of the Constitution by a unanimous vote. This shows the influence of recent events, and especially of the assassination of the late President. There is no doubt that the people of this State, for among its members are some of the most ultra conservatives that the country contains. They are, however, as having a tendency still further to exacerbate the South and to just of the day of reconciliation. Now, however, the current of opinion is changing, and the people are coming to the conclusion that the only way to do away with the agitation attending the adoption of the Constitutional Amendment, and thereby finally and forever put the matter to rest, is to amend the Constitution.
